

Isabelle Holland, PTA

Bio

I love educating and helping patients get back to what they love doing. I have been with OrthoCarolina since 2020 and am the Site Lead I for Shelby PT. I am an active member of the QA committee, OC Green Team, and an EPIC Super User. I have been a PTA since 2007. Outside of OC, I love the outdoors, reading, and spending time with my family. I love sports, especially softball. I am from Texas and a huge UT fan.
