

## Kinjal Parikh, DO

### Bio

Dr. Parikh is a board-certified Physiatrist (physical medicine and rehabilitation specialist) and fellowship-trained in Interventional Spine medicine. His clinical practice centers on non-surgical treatments for spine and joint-related pain. Dr. Parikh is an expert in image-guided injections, radiofrequency ablation, and other minimally invasive interventions using state-of-the-art techniques to diagnose and treat spine and musculoskeletal conditions. Dr. Parikh has been with OrthoCarolina since 2013 and has performed over 65,000 image-guided procedures. He is the director of the Interventional Spine fellowship and provides advanced training and education to physicians.

In his spare time, Dr. Parikh enjoys spending time with his wife, kids, and dog. Dr. Parikh is a fitness enthusiast and enjoys employing different workouts to push his boundaries.

**P: 704.323.2225**

#### Patient Rating:

4.8 out of 5 Stars
