

Joshua Stein, PTA

Bio

Joshua is responsible for coordinating and scheduling prospective student observers, active member of the QA committee. He has been working as a PTA since May 2014. I have been working with OrthoCarolina since September 2014. He works with outpatient orthopedics with interest in spine pathologies. He hails from Miami, Florida originally and grew up in Chesapeake, Virginia. He enjoys all sports but enjoys basketball and football the most! Joshua is a huge Miami Hurricanes fan. He loves going to the beach and soaking up the sun or creating his own beats on the drums!
