

Christopher Moore, PT, DPT, COMT, Cert DN

Bio

I am a Physical Therapist and work diligently to give the best quality of care to each patient. I have a couple of advanced certifications and continue to work toward more. I am very family-oriented and enjoy spending time with them as much as possible. I enjoy watching football and Baseball (primarily Detroit Tigers, Lions, or University of Michigan football games). My favorite hobbies are traveling and skiing. My main focus in life is providing for my two children, so I feel like my job is complete as long as they are happy.
