

Sarah Riley, MMS, PA-C

Bio

Born and raised in the Mitten, aka Michigan, I moved down south for PA school and fell in love with the much-improved weather! I love to spend my free time being active outside, whether it's running, hiking, or just walking my two pups with my fiancé. I'm a former Michigan State softball player, and even spent some time living in Germany post-graduation playing softball for the German National Team! Fun fact, I'm a dual citizen but don't speak a lick of German. Between being an athlete all my life and being a Kinesiology major in college, I knew orthopedics was where I needed to be so I'm incredibly thankful to have found a home here at OC!
