

Heather Goodman, PT, DPT, Cert DN

Bio

Heather is the therapy manager in Concord and has been with OrthoCarolina since 2012. She enjoys working with orthopedic injuries and post surgical patients as they return to the things they love to do. She was certified in dry needling in 2018 which has been a great addition to her tool box as a therapist. When not in the clinic, Heather spends time with her husband and two kids traveling, watching sports, and being active as a family.
