

Catharine Oliveri-Guilino, PTA

Bio

Catharine takes great pride in educating our patients on the importance of exercises for their specific needs. She strives to help teach patients how they can take better care of themselves, during their rehab. needs as well as for the rest of their life. Catharine enjoys spending time with her two daughters, their spouses, and her six grandchildren. She also loves traveling to Nevada to visit her son, daughter-in-law, and their three children.
