

Vikram Arora, DO

Bio

Dr. Arora's primary practice is focused on the treatment of spine disorders. He is fellowship-trained in Interventional Spine and Musculoskeletal medicine. Following his fellowship, he practiced in Pennsylvania at Coordinated Health Orthopedics and the Lehigh Valley Health Network, where he also served as the Team Spine Physician for Lehigh University. Dr. Arora's practice focuses on comprehensive, non-operative spine care. He performs fluoroscopically guided spine injections and advanced minimally invasive procedures such as radiofrequency ablation and spinal cord stimulation. Dr. Arora is board-certified by the American Board of Physical Medicine and Rehabilitation.

Patient Rating:

5 out of 5 Stars

LOCATIONS
