

Brian Krenzel, MD

Bio

Brian Krenzel is a fellowship-trained adult reconstruction surgeon specializing in primary and complex revision hip and knee replacement surgery. He also has an interest in partial knee replacement surgery and is certified to implant the Oxford® Mobile Bearing Unicompartamental Knee Replacement. Dr. Krenzel also performs the minimally invasive Anterior Supine Intermuscular (ASI) hip replacement.

Dr. Krenzel received his undergraduate degree from Duke University where he lettered in football. He was recognized all four years of his collegiate career on the ACC Academic Honor Roll.

He earned his medical degree from The University of Louisville School of Medicine and completed his orthopedic residency at Duke University. Dr. Krenzel finished his extensive education with specialty training in hip and knee replacement surgery with the renowned Joint Replacement Surgeons of Indiana.

Dr. Krenzel is board certified by the American Board of Orthopaedic Surgeons and the Chief Quality and Development Officer.
